

## Watch Party Host Guide

Thank you for hosting a watch party during Business for the Common Good 2023. We believe the best learning happens in community, so your hospitality and leadership will make the experience even richer for our online guests.

You play a vital role in setting the tone for the day:

### Hospitality

- Let your creative juices flow! The goal is to provide a welcoming environment that encourages community and conversation.
- The program will run from 8:30 a.m. to approximately 3:00 p.m. Mountain Time, with a 70-minute break for lunch at 11:20 a.m. Offering morning coffee/tea and a midday meal would be appropriate.
- A copy of the event schedule is available here: <https://businessforthecommongood.com/schedule/>

### Technology

- You will receive emails Thursday afternoon 3/2/22 and 1 hour before the event on Friday, 3/3 that contain a link to the online event platform with your unique username and password.
- The online platform will be live beginning at 7:30 a.m. Mountain time on Friday 3/3. If you have trouble logging on, please email [eventsupport@unbridled.com](mailto:eventsupport@unbridled.com)
- We recommend using the **Chrome web browser for best viewing quality.**
- The livestream will play through an online event platform with a video player that can be expanded to full screen. Please ensure that you have a large enough TV screen or projector/screen combo to meet the viewing needs of your group.

**Got questions?** We are available to help all the way through the end of the event. Contact us at [events@denverinstitute.org](mailto:events@denverinstitute.org)
